

# Nayem Mehedi

Programming Problem Solver | DHAKA 1206, BANGLADESH  
nayem.pust.cse@gmail.com | github.com/Nayem73 | leetcode.com/Nayem

## SKILLS

### PROGRAMMING

• C++ • C • Java OOP  
familiar:  
• TypeScript • Python

### BACK-END

• Spring Boot

### DATABASE

• MySQL

### DEVOPS

• Git • Github

### DEVELOPER TOOLS

VScode • IntelliJ • Sublime Text •  
Code::Blocks

### OPERATING SYSTEM

• Windows 10 • Windows Subsystem for  
Linux

### LANGUAGES

• Bengali • English

## EDUCATION

### PABNA UNIVERSITY OF SCIENCE AND TECHNOLOGY

B.Sc ENGG. IN COMPUTER SCIENCE  
AND ENGINEERING  
March 2018 - Present

#### HSC :

BANGLADESH NAVY COLLEGE,  
DHAKA

Passing Year: 2016

GPA - 4.92

#### SSC :

BANGLADESH NAVY COLLEGE,  
DHAKA

Passing Year: 2014

GPA - 5.00

## OBJECTIVE

To have a dynamic and promising career in a professional IT organization where I can apply and improve my talents, creativity, and learning experiences to create valuable software with business value and contribute to the institution's well-being.

## PROJECTS

### RENT ANYTHING! | A VEHICLE RENTAL WEB APP

Spring Boot | Angular | MySQL

<https://github.com/Nayem73/RentAnything-spring-angular>

- Users can rent different type of vehicles for a given period of time from the website.

### STUDENT DASHBOARD | A WEBAPP TO VIEW EXAM RESULTS

Spring Boot | Angular | MySQL

<https://github.com/Nayem73/student-dashboard-spring-angular>

- A simple dashboard showing marks and results of students in a class.

## PROBLEM SOLVING EXPERIENCE

- Solved programming problems in websites like AtCoder, Codeforces, LeetCode, LightOJ etc.
- Solved problems with Data Structures and Algorithms.
- Participated in onsite and online programming contests including Intra-University IT Fairs and ICPC Dhaka regional preliminary contests.
- Gained position in top 19 percent in LeetCode contests.
