EDUCATION

PABNA UNIVERSITY OF SCIENCE AND TECHNOLOGY
B.Sc Engg. in Computer Science and Engineering
March 2018 - Present

HSC :
Bangladesh Navy College, Dhaka
Passing Year: 2016
GPA - 4.92

SSC :
Bangladesh Navy College, Dhaka
Passing Year: 2014
GPA - 5.00

OBJECTIVE

I am dedicated to continuously enhancing my skills and expertise by immersing myself in the technologies I work with and taking on challenging projects. My aspiration is to collaborate with professional Software Engineers within a respected IT organization, where I can apply my knowledge and refine my abilities. I am passionate about creating impactful software solutions that contribute to the organization's success while fostering my personal growth, creativity, and ongoing learning experiences.

PROJECTS

RENT ANYTHING! | a vehicle rental web app
Spring Boot | Angular | MySQL
https://github.com/Nayem73/RentAnything-spring-angular
- Users can rent different type of vehicles for a given period of time from the website.

STUDENT DASHBOARD | A webapp to view exam results
Spring Boot | Angular | MySQL
https://github.com/Nayem73/student-dashboard-spring-angular
- A simple dashboard showing marks and results of students in a class.

BPL DASHBOARD | Past BPL matches with match details
Spring Boot | React | HSQLDB
https://github.com/Nayem73/BPL_Dashboard_SPRING_REACT
- Users can view Match Information of all teams that played in the Bangladesh Premier League(BPL) from it's debut in 2012 till the latest tournament in 2022. Users can tap on a team and view it's Latest Matches with Match Info and also, users can select a year from a list of years and view all Matches of the team with Match Info sorted by Match Date.

PROBLEM SOLVING EXPERIENCE

• Solved programming problems in websites like AtCoder, Codeforces, LeetCode, LightOJ etc.

• Solved problems with Data Structures and Algorithms.

• Participated in onsite and online programming contests including Intra-University IT Fairs and ICPC Dhaka regional preliminary contests.

• Gained position in top 19 percent in LeetCode contests.
